"SWACHHATA HI SEVA"
(15th Sep 2018 to 02nd Oct-2018)

The campaign for a Swachh Bharat or Clean India, which began four years ago, was made into a nation-wide movement today. Over the last two weeks leading to October 2nd - Gandhi Jayanti - the Swachhata Hi Seva movement aims to ensure a high standard of cleanliness across the country, which was Mahatma Gandhi's dream for the nation. October 2, 2018 will mark the beginning of the 150th year of Mahatma Gandhi's birth, and the government plans to release his dream of a clean India. Interacting with citizens from across the country, Prime Minister Modi urged all Indians to be a part of this mass movement. The Prime minister and other ministers also took part in various cleanliness drives across the nation.

INTRODUCTION

Amod G - 19 Extn. Lignite Mine has observed Cleanliness Drive with a caption of "Swachhata Hi Seva" from 15th September 2018 to 2nd October 2018 in concurrence with the Prime Minister's appeal to the citizens to dedicate few hours of their own towards cleanliness drive.

In the preceding year also, Amod G-19 Extn. Lignite Mine actively participated in the cleanliness drive based on the theme launched by Government of India and as such, a driving force has already been created in the mine area.

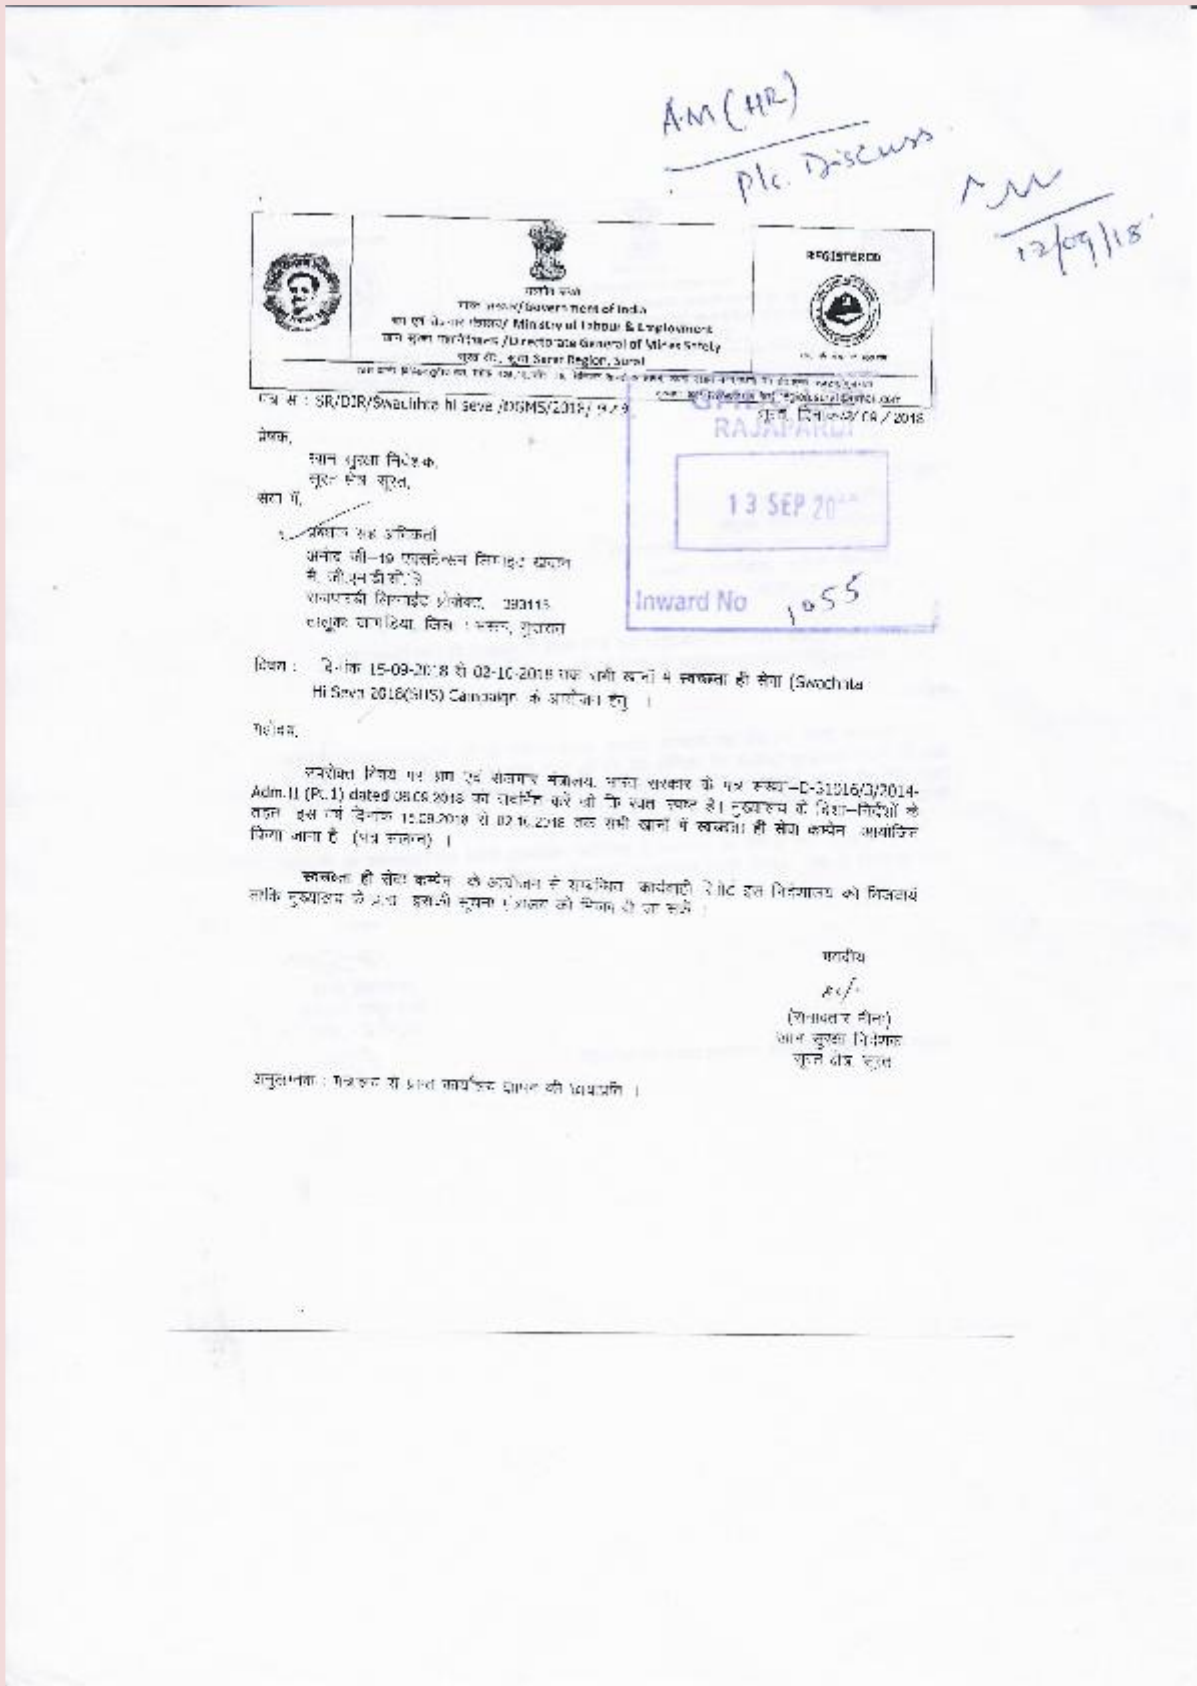

The mine management had received a letter On 12th Sep'2018 from DGMS office, Surat Region about Swachhata Hi Seva Campaign. Such an initiative from regulatory authority reflects the seriousness and inclusive effort from almost all the sectors regarding Clean India.

Mining is our core competency but as an organization we take part in every noble cause whether it is awareness for conservation of environment or making work premises clean. We as a family not only keep our premises clean but take the community with us to aware them on health, sanitation and overall cleanliness not as responsibility but an opportunity to help the local residents and contribute ourselves in making the nation the dreamland to live in.

In line with the above facts, several activities have been performed in Amod G-19 Extn. Lignite Mine which furnished below:

1. Preparation of schedule
2. Street Play (Nukkad Natak) on inauguration function
3. Oath Taking ceremony
4. Awareness Programme
5. Cleanliness drive
6. Swachhata Briefing
7. A rally organised for awareness of people of nearby villages
8. Drama on Swacchhata
9. Cleanliness drives on Gandhi Jayanti 2017.

Conclusion

India is still a developing country because of the poverty, lack of education, lack of cleanliness and other social issues. We need to eliminate all the bad reasons from the society causing obstruction in the growth and development of our country.

Cleanliness drive is the best start of eliminating social issues from the society as well as promoting the growth of country with its citizen's individual growth. Only the success of cleanliness campaign may bring a huge positive change in India. It belongs to the internal and external growth and development of everyone living in India which shows us the completeness of slogan of *"Clean, Happy and Healthy Citizens imparts Healthy and Developed Nation"*.

Amod G-19 Extn. Lignite Mine has started contributing its part towards the clean nation with broom, bucket and dustbin joining hands in hands together

The idea would be inculcated in the daily routine and habit of the persons and that's the ultimate goal to achieve.

The poster features a blue background with a yellow border. At the top left, it says 'Ministry of Petroleum & Natural Gas' and 'Swachh Bharat Mission'. The central text reads 'Swachh Bharat.
